

**8,000,000 CARRIED  
BY B. R. T. A RECORD****Three-Day Holiday Business Biggest Company Ever Had—  
Strike "Forgotten."**

The Brooklyn Rapid Transit system, said General Manager W. E. Sullivan, today, "carried nearly 8,000,000 passengers Saturday, Sunday and yesterday. It was the biggest business ever done by the company and the service was smoothly run."

"We've forgotten the strike of the streetcar workers. Fewer than forty men quit and it was easy to fill their places."

At the headquarters, No. 57 West 42nd street, it was said the strikers have not yet given up hope of winning their demands.

**GRACE LA RUE WEDS CO-STAR**

Actress Bride Was Named by Hamilton's Wife in \$200,000 Suit.

Grace La Rue was not surprised to-day at Chicago despatches announcing the marriage there of Grace La Rue and Hale Hamilton, co-stars in "Dear Me," which closed Saturday night. The announcement was made at a "farewell supper" to members of the company by the couple, who will come to New York in a few days.

Mrs. Myrtle Tanshill Hamilton, Mr. Hamilton's former wife, named Miss La Rue in her divorce suit and also recently sued her for \$200,000 for alleged alienation. Mr. Hamilton's first wife was Jean Oaker, who also divorced him. Miss La Rue formerly was the wife of Byron Chandler, known along Broadway as "The Millionaire Kid."

**VACATION FOR 200 SICK.**

Salvation Army Will Send Women and Children Away.

The Salvation Army will send 200 women and children today for a ten days' vacation at its summer camp, North Long Branch, N. J. Most of them have been under medical care. Six hospitals—Lenox Hill, Lincoln, Mount Sinai, New York Infirmary, Harlem and Bowling Green Neighborhood Association—will be represented by groups under the supervision of the respective social service departments.

The party will assemble at 8:30 A. M. at Liberty Street. The home faces the water front. It is open from June 1 to the middle of September. Every ten days a different group of children is accommodated. If it should so happen that improvement is not shown in that time the visitor's stay is lengthened.

**MAN, 68, SLAIN WITH KNIFE.**

Stabbed Twice in Back Soon After He Left Brother's Home.

Within a short time after he had left the home of his brother, whom he had been visiting Sunday night, Herman Chelbert, sixty-eight, of South Orange Avenue, Irvington, N. J., was found stabbed to death in front of No. 445 Grove Street. Mrs. Minnie Horneberg, 24 1/2 East Avenue, noticed the man lying with his head on the sidewalk and his feet in the gutter. She notified the police.

Investigation shows the man was twice stabbed in the back and once in the temple. The knife which had been used on him was found under his body. Morris Chelbert, who lives at Grove and 15th Streets, a few blocks away, said so far as he knew his brother had no enemies.

**Pay \$5 Each to See Parade.**

Thomas Handler, twenty-four, and his brother, Henry, nineteen, of No. 25 Floyd Street, Brooklyn, were arrested yesterday after they had refused to remove their route from the route of the Memorial Day parade at Bedford and Willoughby Avenues, where they had parked it to get a good look at the procession. Magistrate Brown fined them \$5 apiece.

**Cuts Her Throat, Then Leaps to Her Death From Window.**

Suffering from a nervous breakdown, Mrs. Mollie Mittenfod, forty, committed suicide yesterday by slitting her throat with a carving knife and then leaping from the bathroom window of her home on the third floor of No. 824 Gates Avenue, Brooklyn, to the bottom of an airshaft. Her husband and three children were asleep at the time.

## Profits Helped Build Our Business

Do you think it's right to save money?

Swift & Company's business has been built up partly by selling capital stock for cash and partly by thrifty saving, putting some of our earnings each year back into the business to increase facilities for production.

That is what most all of us seek to do—save part of our earnings for future usefulness.

It is the way American industries have been built up. It means the least drain on the financial resources of the country.

For the past twenty-four years Swift & Company has made an average profit from all sources of 11.3 per cent on investment (capital and surplus), and 2.3 cents on each dollar of sales—a fraction of a cent per pound. Out of this we have paid dividends and saved something to help us keep pace with a growing country.
